The Concierge is busy greeting guests and answering residents' questions about the dozens of daily activities. You will be proud to invite your friends and family to visit.

It feels like home... your home.

When I entered Tamarisk for the first time, I wasn't sure I was ready to leave my house where we raised our kids. After my tour, I imagined meeting new friends here, having my grandkids over for Friday night dinner, and taking advantage of incredible educational programs ... regardless of the crazy Chicago weather. A sense of calm came over me when I made the decision to move.

We all need a little down time to relax and refresh our batteries, whether it's after a round of golf, a shopping trip, a vigorous visit with grandchildren, or a challenging game of poker. That's why Tamarisk NorthShore's apartments were designed to meet your particular needs at this stage of life, with a wide choice of floor plans and beautiful outdoor views.

Enjoy your privacy, but never feel alone because our experienced, caring staff is onsite. Maintenance-free living includes: 24-hour Concierge, housekeeping, handsome cabinetry and appointments, in-unit washers/dyers... and more. Still like to bake cookies or plan your own dinner party? The full-sized kitchens will inspire you...

or better yet, cater in from one of our dining rooms and no one has to know!

Everything is so fresh and new! I love not having to worry about fixing anything! And even though several of my treasured pieces of furniture did come with me, I worked with the Tamarisk experts who offered great advice on how to maximize my space and let the sunshine in!

But what about the food? This is the number one question that people ask when deciding to move to a senior living community—and rightly so! With a generous meal plan included with your rent, Tamarisk NorthShore is already getting rave reviews on the quality and diversity of its menus.

The variety of dishes—from wood-fired pizza to Duck L’Orange to Mom’s Favorite Brisket—is amazing and prepared in-house under the direction of our creative Executive Chef.

Guests are always welcome to enjoy meals with residents and the elegant Tamarisk Room can be reserved for private parties, family celebrations or holidays.

I'm not a picky eater, but my husband is and he's always bragged about my cooking. I'm happy to say that he is enjoying having lunch or dinner in one of the dining rooms with people that we've met here. And I do enjoy not having to make dinner every night!

Picture this typical day: Waking up and having breakfast in your apartment. And then, taking a short walk or elevator ride to the indoor pool on the second floor for a water aerobics class. No driving, no putting on a coat, no worry that rain has been forecasted. Just convenience and a great workout! By 10 am, you can decide if you want to meet friends for a walk outside, take a sauna in Moments Spa, or do some free weights.

It's all up to you. What's important is that Tamarisk offers outstanding amenities readily available...

making your lifestyle worry-free with plenty of opportunities to enjoy and explore what makes you happy and healthy.

The pool at Tamarisk is my favorite place. It's like being at a resort. The large windows overlook a beautiful terrace, and a good swim always lifts my mood even on a cloudy day.

Tamarisk NorthShore is a vibrant place where residents can tap into their dreams—new and old—and friendships can flourish. The choices of where to spend your time are endless.

If reading is your passion, the cozy Library, warmed by a fireplace, can be your hideaway. Or gather up a group of friends and spend the evening in The Theatre watching a classic movie. Perhaps you have always wanted to learn how to watercolor or experiment with Plein Aire painting... Expressions Studio may become your favorite destination.

Prefer mahj or canasta? It's games galore at Tamarisk NorthShore!

The Tamarisk staff has been incredibly thoughtful in creating a full calendar of events, classes, and experiences that gets me excited about learning new things. I'm really using my brain again... I never imagined that speaking Yiddish could be so much fun!

Tamarisk NorthShore derives its unique character from its affiliation with CJE SeniorLife, a trusted nonprofit organization that has been helping older adults of all ethnicities and faiths throughout Chicagoland pursue lives of purpose, good health and independence since 1972.
